The data is used exclusively for the purpose of contact tracing to prevent the (further) spread of COVID-19 in the event of a suspected case of COVID-19 on the legal basis of Art. 6 Para. 1 lit.d and c GDPR (processing of personal data to protect the vital interests of the data subject or another natural person or to fulfill a legal obligation). The sports facility operator or organizer must provide the district administrative authority with the data on request. The data will be deleted immediately after 28 days from the time it was collected. The provision of the data is necessary for the fulfillment of the service in question. Without this data, it is impossible to provide the service. There is no intention to process your data for automated decision-making including profiling (data analysis on behavior, habits, preferences ...). There is no intention to transfer your data to a third country or an international organization. You have the right to information about the data, correction, deletion and restriction of the processing of the data as well as the right to object to the processing of the data and the right to data portability at any time. You have the right to lodge a complaint with the supervisory authority. You can find the person responsible for processing the collected data at the top right.
